## WELCOME TO OUR 22<sup>ND</sup> ANNIVERSARY SEASON

We have come a long way since June 29, 1980. On this date, The League fielded 10 Teams for the first ever unlimited age sanctioned games to be played on the Space Coast. I founded the Baseball Program for the City of Palm Bay Parks & Recreation Department and we operated the athletic program directly under their budget from 1980-1983, 1994-1997 and cooperatively under contract agreement through the other years including 1984-1993, 1998-2000. The City of Palm Bay's Parks & Recreation Department is once again embracing baseball this 2001 Season. Since 1980 the City of Palm Bay as had a major impact directly and indirectly on Amateur Age Baseball in Brevard County, the Space Coast of Florida, as well as Nationally and Internationally. My involvement in this 22<sup>nd</sup> year Baseball Dream has always been dependent on their approach & willingness to cooperate in the operation of this Baseball Program. Their efforts should always be commended and appreciated for they made it possible each year.

We have had some great teams and individual performances by players over the years. We have represented the Space Coast and Florida in well over 33 State Tourneys, 30 Southeast Regionals, 22 National & World Series. Teams in our League have played teams from all over the USA and internationally with great success. We have played teams from Soviet Union, China, Canada, Cuba, Holland, Brazil, England, France, Germany, Switzerland, New Zealand, Italy, Columbia, Mexico, Puerto Rico, Virgin Islands, Taipei, Ecuador, Australia & South Africa. Our Teams have come from the Space Coast, Treasure Coast, Okeechobee, Leesburg & Daytona Beach. We have been represented by Players who played high school, college, and professionally at one time. We have had players with only the desire to play and just wanted to be part of a game they love. We have had players leave us for the Pros and return later as reinstated amateurs. Our League has given all these individual players a place to play BASEBALL on the Space Coast for 22 years.

The goal was to promote and operate a Baseball League that provided quality, competitive, organized league play for the entertainment of Players & Fans. It had given Space Coast businesses the opportunity to support an enduring, worthwhile community program that helps our young people as well as ever-young aging gentlemen of the game to play BASEBALL. We built a great platform for all Baseball Lovers to enjoy playing, watching & supporting. We truly have one of the strongest amateur baseball programs in Florida & the USA! Competition, Community Spirit & Goodwill to all involved as Fans, Players, Coaches, Umpires & Sponsors. Royal and Super Thanks to ALL who have been there over the years and to those of you who will continue on for the next 25 years and beyond, Enjoy this 22<sup>nd</sup> Anniversary Season and thanks for the memories! My Time is fading fast and others will follow to continue the mission of Baseball here in the Brevard County Area. I will regret nothing, loved doing it, endured a lot, met good baseball people, and I pray that they will continue despite my pending FAREWELL to running leagues. Baseball will be with me always and I will continue to coach the Palm Bay Americans for at least 25 seasons, but my time as a League Director is near its end. Thanks for playing baseball with me for 22 seasons! Keep Playing, Watching & Supporting the Game of BASEBALL as long as the opportunity presents itself!

# QUOTES

FROM  
THE

# GAME OF BASEBALL

Baseball was, is and always will be to me the best game in the world.

Babe Ruth  
*Yankees Outfielder*

You give 100 percent in the first half of the game, and if that isn't enough in the second half you give what's left.

Yogi Berra  
*Yankees Catcher*

Going to bed with a woman never hurt a ball player. It's staying up all night looking for them that does you in.

Casey Stengel  
*Baseball Executive*

The guy with the biggest stomach will be the first to take off his shirt at a baseball game.

Glenn Dickey  
*Author*

You can't win them all.

Connie Mack  
*Athletics Manager*

Good pitching will always stop good hitting and vice-versa.

Casey Stengel  
*Mets Manager*

The best qualification a coach can have is being the manager's drinking buddy.

Jim Bouton  
*Yankees Pitcher*

It's not whether you win or lose, It's how you play the game.

Grantland Rice  
*Sportswriter*

The only way to prove you're a good sport is to lose.

Ernie Banks  
*Cubs Shortstop*

Families go to ballparks and that is why baseball is still our national game.

Bill Shea  
*Mets Executive*

The way to catch a knuckleball is to wait until it stops rolling and then to pick it up.

Bob Uecker  
*Phillies Catcher*

Every great batter works on the theory that the pitcher is more afraid of him than he is of the pitcher.

Ty Cobb  
*Tigers Outfielder*

Baseball is dull only to dull minds.

Red Smith  
*Sportswriter*

Baseball is ninety percent mental. The other half is physical.

Yogi Berra  
*Yankees Catcher*

The secret of managing is to keep the guys who hate you away from the guys who are undecided.

Casey Stengel  
*Mets Manager*

You see, you spend a good piece of your life gripping a baseball, and in the end it turns out that it was the other way around all the time.

Jim Bouton  
*Major League Pitcher*

Whoever wants to know the heart and mind of America had better learn baseball, the rules and realities of the game— and do it by watching first some high school or small-town teams.

Jacques Barzun  
*Author*

I want to be remembered as a ballplayer who gave all he had to give.

Roberto Clemente  
*Pirates Outfielder*

On any given day ... come out to the ballpark and you'll see something different.

Fred Borsch  
*Sportswriter*

You gotta be a man to play baseball for a living but you gotta have a lot of little boy in you, too.

Roy Campanella  
*Dodgers Catcher*

Boys, baseball is a game where you gotta have fun. You do that by winning.

Dave Bristol  
*Reds Manager*

To say "Babe Ruth" is to say "Baseball."

Will Harridge  
*American League  
President*

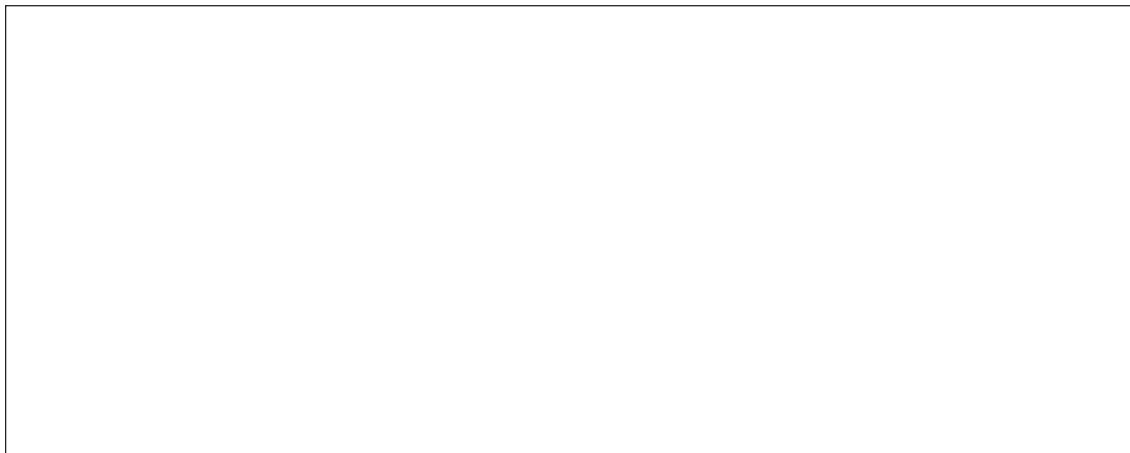

Well, baseball was my whole life. Nothing's ever been as fun as baseball.

Mickey Mantle  
*Yankees Outfielder*

A hot dog at the ballpark is better than steak at the Ritz.

Humphrey Bogart  
*Actor*

*Satchel Paige*

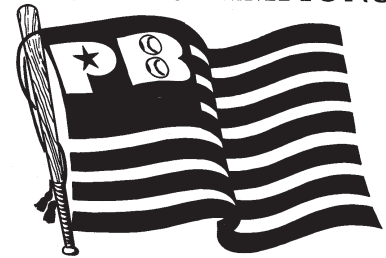

*We are baseball players not  
people who play baseball. Base-  
ball is part of our individual  
lives, spirit, and soul.*
